

mClk on the web!

PowerPoint is not required to use mClk. You can create questions and present them to your class or audience by simply logging on to the mClk web site.

Set-up

1. Click **Sign Up** from the mClk homepage. After entering information in all of the fields, click **Submit**.
2. Click the **Sign In** link in the upper right hand corner of the screen and enter your username/email and your password.
3. Click **Create New** to create a presentation. Enter a title and click **Submit**.
4. Click the **Questions** link next to the presentation name and then click **Create New**.
5. Enter the question text, question type, responses and chart type. To add multiple answers in the multiple choice field, type an answer and then click **Add**. Select which of the answers is the correct.
6. Continue to add questions as needed.

Presentation

1. Click the **Sign In** link in the upper right hand corner of the screen and enter your username/email and your password.
2. Click **Sessions** next to the presentation you want to present.
3. Click the **Create New** button to start a presentation.
4. Audience joins the session by texting "Join" and the session ID# to 29671 (sample: join 342).
5. Audience responds to all subsequent questions by texting the question number and appropriate answer to 29671 (sample: 1 C).
6. Use the navigation links to see the responses and to go between the questions in your presentation.
